Universal Wireless Speaker

Music is a natural part of your daily life. So why should you be chained to a desk anytime you want to experience it? With the inMotion Air you can listen to room-filling sound on your computer anywhere in your home. Just connect our USB transmitter to your computer, choose your playlist and take the inMotion Air where ever you need to go. The wireless transmitter sends your computer's audio through the air and into your speaker up to 300 feet away! You can also pair the speaker to your iPod touch, iPhone, iPad and most other stereo bluetooth device for added musical freedom!
